ABOUT ANNA UNIVERSITY

Anna University was established on 4th September 1978 as a unitary type of university. It offers quality higher education in Engineering, Technology and Allied Sciences relevant to the current and projected needs of the society. Besides promoting research and disseminating knowledge gained there from, it fosters cooperation between the academic and industrial communities.

ABOUT THE DEPARTMENTS

Anna University is a leading technical University in India located at Chennai, Tamil Nadu. Department of Information Science and Technology (DIST) and Department of Computer Science and Engineering (DCSE) functions as the University Departments having academic autonomy of having its own syllabus and curriculum. Both offers undergraduate, postgraduate and research programmes in various disciplines of Information Technology and Computer Science & Engineering.

The DIST and DCSE departments impart world class training and research. The departments provide state-of-the-art computing facilities to the students. They also promote active industry-institute collaboration by identifying areas of interest and taking part in sponsored research projects and consultancy services.

Some of the major research areas in which the faculty members and students working on: Networks, Security, Database, Theoretical Computer Science, Multimedia, Image Processing, Software Engineering and Data Mining.

ABOUT ISEA
