ABOUT SEC

Sri Sairam Engineering College, Chennai was established in the year 1995 by Philanthropist, Educationist and Industrialist, MJF.Ln.Leo Muthu, Chairman of Sapthagiri Educational Trust, a non-profitable, and non-minority institution. The college is situated among sylvan surroundings in an area of more than 100 acres at Sai Leo Nagar, near the Kishkinta amusement park. The college offers eleven B.E. / B.Tech., Undergraduate Degree programmes and six Post Graduate Degree programmes. The College is ISO 9001:2015 certified, NBA, NIRF ranked and NAAC 'A+' accredited, an Autonomous Institution affiliated to Anna University and approved by All India Council for Technical Institution. The Institution has well-established infrastructure facilities, well equipped laboratory, Fully Air-conditioned College Library, and state of the art Indoor stadium with seating capacity of 5000 people. A well-defined vision, highly committed mission and dedicated leadership facilitate Sri Sairam Engineering College to be one of the best educational institutions in the country.

ABOUT DEPARTMENTS

The **Department of Computer Science and Engineering** joined the fleet of Sri Sairam Engineering College during the academic year 1998-99. The Department is also having Master of Engineering in Computer Science and Engineering from the academic year 2011-2012.

The **Department of Electronics and Communication Engineering** joined the fleet of Sri Sairam Engineering College during the academic year 1995. The Department offers UG Program and 3 PG Programmes in the areas of specialization—Communication Systems, Embedded System Technologies and VLSI Design.

The **Department of Information Technology** joined the fleet of Sri Sairam Engineering College during the academic year 1999. The Department is also having a PG programme in Computer Science and Engineering (with specialization in Networks).

All the departments have been accredited by NBA, AICTE, New Delhi.

ABOUT IQAC

The Internal Quality Assurance Cell (IQAC) of Sri Sairam Engineering College was established in the year 2012 to initiate activities that improve standards in teaching learning process, evaluation, and research. Post accreditation, IQAC is actively involved in various facets of academics and administration of the institution to promote quality. The IQAC also encourages and motivates students, creates an atmosphere to inculcate originality and innovation in the young minds. Quality in higher education is the need of the hour and is also emphasized by the accreditation bodies. IQAC takes the responsibility of creating and promoting awareness in the institution regarding multilevel quality sustenance activities and implementing new ones for attaining excellence.
